

## **Village of Woodridge Tax Rates**

The Woodridge Village Board continues to focus on reducing the residential tax burden as one of their primary goals. Taxpayers have witnessed the municipal tax rate decreasing over the past nineteen years with their 2004 tax rates. Our tax rate went from .2499 to .2467. On average, the home owner pays \$179 to the Village. Most of the increase in their property tax bill was from other taxing bodies like school district 68 and 99, the park district, library and fire district.

For questions in regards to their assessment values, please refer them to the Assessor's office
