Woodridge, IL – Woodridge Police Remind Residents to Keep Dogs on a Leash

According to the Village of Woodridge Code it is unlawful for any dog or cat to run at large. This means that no dogs can be off the premises of their owners without a leash and under the control of a person physically able to control it. Any dog or cat found to be running at large will be impounded by the Police Department. The first offense could result in a \$30 fine for the owner of the animal found running at large. Subsequent offenses result in higher fines.

If you see an animal running at large, contact the Police Department immediately to report the location of the animal. For the safety of our community, especially during the upcoming spring and summer seasons, please make sure you use a leash and keep your pet from running at large.
