

4-2-5: PROHIBITED ACTS AND CONDITIONS:

It shall be unlawful:

A. Open Burning: To cause or allow the open burning of refuse, landscape waste and/or recyclable material, conduct any salvage operation by open burning, or cause or allow the burning of any refuse, landscape waste and/or recyclable material in any chamber not specifically designed for the purpose and approved by the Environmental Protection Agency of the State of Illinois pursuant to regulations adopted by the Illinois Pollution Control Board; except, that the Illinois Pollution Control Board may adopt regulations permitting open burning of refuse, landscape waste and/or recyclable material in certain cases on a finding that no harm will result from such burning, or that any alternative method of disposing of such refuse, landscape waste and/or recyclable material would create a safety hazard too extreme as to justify the pollution that would result from such burning.

* NEW SECTION *

Any burning allowable under this paragraph A., other than burning of propane or charcoal primarily for cooking purposes (1) shall be attended at all times during use by an adult;(2) shall not be conducted within 15 feet of any lot line; (3) shall be conducted only between the hours of one hour before dusk and 10:00 pm; and (4) shall be entirely extinguished prior to leaving the fireplace or firepit unattended, or by 10:00 pm, whichever occurs sooner.
