LaGrange, IL 60525

I'm sorry that I will be unable to join my Trustee colleagues in meeting you on April 30th at 11:00 am. I have an unavoidable conflict.

Sound Barrier - I encourage you to approve the construction of a sound barrier along in the north east quadrant of I-55 and I-355. This project has been planned for several years but has never begun. All of the undeveloped land in the affected area will be fully developed with hundreds of single family homes within the next few years.

I suggest that the developer of the area (Gallagher & Henry) pay a portion of the cost of the sound barrier (they will be motivated to do so until their lots sell out), the Village of Woodridge pay a portion of the cost, and IDOT or the Illinois State Tollway Authority pay a portion of the cost.

I have attached some supporting documentation.
