Stacy's response

Robert,

Feel free to have that person contact me directly. There are various Farmingdale Village subdivision units that are either under review or that have been approved. I would need to determine exactly what map he or she wanted. Under the Freedom of Information Act, anyone can request a copy of those maps for a charge. Alternately, that person could come in to the Village Hall at their leisure to view the maps in our files.

my inquiry

Staci:

A friend of mine would like to get a copy of the plat map for the new Gallagher & Henry developments - north of I-55, east of Woodward. Are there plat maps available?

The G&H sales office doesn't have them for the new development.

Thanks.

/s/ Robert Brandt
