WOODRIDGE, IL -

It's been my 'privilege' to serve Woodridge

It was my privilege to serve the residents of Woodridge on the Village Board for the past four years. I'm proud of the work that we did and the things that we accomplished. I wish the best of luck to the new Village Board members.

When I told my daughter that I didn't win the election and was no longer a Woodridge trustee, she thought for a second and then said, "That's OK daddy, you should give someone else a turn. And besides, there's always next year." Pretty smart for a 7-year-old.

For help with issues that are important to you, please contact your new Woodridge Village Board members at villageboard@vil.woodridge.il.us

Robert "Bob" Brandt
Woodridge trustee
